

Tag

```
graph BT; Fact --> Predicate; Recommendation --> Predicate; Rule --> Tag; Predicate --> Tag;
```

The diagram illustrates a class hierarchy. At the top is a dark blue box labeled 'Tag'. Below it is a teal box labeled 'Predicate'. At the bottom are three purple boxes: 'Fact', 'Recommendation', and 'Rule'. Arrows point from 'Fact' and 'Recommendation' to 'Predicate'. An arrow points from 'Predicate' to 'Tag'. Another arrow points from 'Rule' to 'Tag'.

Predicate
